

Aligned Allies: 7 Steps to Achieving High Performance - Fast!

Audience:

Business Leaders will benefit from a high performing team who works together toward a shared vision. Team synergy creates a vibrant workplace, flawless execution, and ability to make change. Aligned teams make things happen.

Description:

Part of being a leader of people is bringing team members into alignment to accomplish common goals. You choose the best people, expanding your team with high hopes. Sometimes teams come together with little effort and sometimes they don't.

There are ways to accelerate your team to high performance, fast! This workshop focuses on ways to understand the phases that people go through when they join a team, and how to build a strong team that works together synergistically. How can you get your team to WOW performance?

Learn the 7 steps you can take to build your team. Practice a few of them right in the workshop.

You'll Learn:

- See the Drexler Sibbet Team Performance™ Model used as a guideline for the steps you can take to build you team quickly.
- Understand what can happen if a step is not done well or not done at all.
- Learn some simple steps to take to bring a new person onto the team and build trust.
- Understand how to engage people in the team's mission and vision.
- Learn about the positive impact that WOW teams have!

Length of Keynote: 1 to 3 hours
